About Us

Scoll is brand of Our Country

We marketing all luxurious bath fittings with Scoll Brand.

All our products are made from Best quality raw material. We inspect carefully all products in matter of quality before selling. All our products are very comfortable to use. We Marketing large range of design. We have confidence that if you choose our any product then you will be fully satisfy. We believe not only in quality and customer satisfaction, but keeping relation life time with customer.

Our aim is to go on top in providing bath fitting items with honestly. We provide all items after huge market research and according to customer wants. We believe in business with best relationship to customer.

WHY SCOLL ?

100% MADE IN INDIA

High quality construction of material to ensure a product made of the best design and 100% made in India.

DOUBLE PLATING

All faucets are double plate which are characterized by a double chrome plating an double nickel plating to grant the product a long life.

EASY TO ASSEMBLE

Single Hole Installation And Standard Plumbing Connection

EASY TO CLEAN

Nozzle resists mineral buildup and is easy to clean.

SOFT MOVE & LONG LIFE

To ensure smooth movement of spindles and cartridges tested for over 5 lakh cycles, assuring long life of faucets.
